---

At approximately 11:30 AM on March 19, I received a phone call from Mr. Dan Powell regarding his bond for the Cherry Hill Mine and his inability to get a surety bond in time from Cornerstone insurance due to the underwriting department taking longer then he had anticipated. He gave me his phone number where he could be reached. I talked to Wayne and he informed me that I should call him back and let him know that he needed to call Lowell Braxton to inform him of his problem. I did this at about 11:45 AM and informed Mr. Powell that I could do nothing other then relay the message to Mr. Hedberg. I called him back with this message at 11:30 AM. Please file this email message.
